28th March 2024

Dear Parents/Carers

On Monday 22nd April, it is Earth Day. Earth Day is an annual celebration that honours the achievements of the environmental movement and raises awareness of the need to protect Earth's natural resources for future generations. This year's focus is '**Planet versus Plastics**'.

The children can come into school in green and blue clothes to mark the day. This can be all green and blue, or just a splash of the colour. Please do not buy anything for this, it's just what you have at home; maybe just a clip or a top with some blue/green on, anything at all.

Throughout the day, the children will learn about the issue of plastic pollution, explore immersive stories linked to the theme and have the opportunity to design a super hero to help protect the planet against plastics.

Some of our children will be taking part in litter picking to raise awareness.

Please see below, some links to websites that offer more information on Earth Day and also how to volunteer across the UK and help with the movement.
