Dear Parents/Carers

**RE: RobinFest**

At Newchurch Community Primary School we are always eager to develop the artistic skills and inclinations of our children. We deliver a comprehensive and far-reaching visual arts curriculum, which is further developed by trips to galleries and museums in order for the children to learn about the arts.

Beyond this, the dance, drama and music curriculum embedded in school give the children the opportunity to fly. Nurturing these skills is something we strive for and that is why we are writing to you.

We are planning to start a summer festival for the arts, which celebrates the work of the children, allows for performance and gives our families and local community a chance to showcase their own talents. As you can appreciate, this will draw on a range of organisational elements and that is where we are looking for your support.

Do you have any musical talent? Are you in a band/group? Do you work with dance groups? Are you able to perform or run workshops? If so, we would love to hear from you as we aim to develop our **RobinFest**.

Maybe you have skills in other areas: finances, security, construction. We will be looking to have a stage, run the PTA barbecue, manage a successful event and create a legacy for our artistic robins. Again, we would love your support. Please feel free to speak to other community groups you may be aware of who would like to be part of the festival too.

If you think you could help and be part of the inaugural RobinFest, then please fill in the form below and let us know. You may have ten minutes or ten hours, every little helps.

With kindest regards,

Mrs J Narraway

Head Teacher
