

# FRIDAY NEWCHURCH

6<sup>th</sup> July 2018

## IMPORTANT MESSAGE

Unfortunately, Mrs Toone is having to rest at home for the remainder of the summer term. She is extremely disappointed not to be able to see the whole term out with Year Three but unfortunately this is not possible. She is hoping to come and join us for the leavers' assembly.

This means there needs to be some staffing changes. I have asked Mr Singleton to take Year Three for the remainder of the year. This will ensure continuity and gives an ideal transition experience. Mrs Storey, Mrs Price and Mr Tattersall will be teaching in Year Four which again will offer continuity and transition for the cohort.

I want to reassure Year Four parents that Mr Singleton along with the rest of the Year Four team will be going to Beeston.

The children have many fun experiences ahead which will involve all teachers such as Sports' Day, the sleepover, watching the Year Six Play and the Leavers' assembly.

If you have any questions, please do not hesitate to ask.

## HEADTEACHER FOR THE DAY BY ISABELLE BUFFY

The reason that I am headteacher for the day is just before our SATs, Mrs Lawrenson told the class on the night before each test we took we had to come off all electronics at 5PM so we would sleep well. She then told us that each time we did it we would get our name put in a hat to be pulled out. I did it every night and my name got pulled out!

Before the day of me being the headteacher I felt nervous that I would mess something up: I felt excited that I would be running the school for the day.

Today I did a variety of things: observing Mrs Toone, observing Mr Duckett, planning an assembly, monitoring lunchtime behaviour, writing Friday news, writing comments on twitter, discussing health and safety for sports day and even writing my brother's headteacher comment on his report!

The thing I have enjoyed the most was

observing Mr Duckett since he is my class teacher. It was very interesting and different being the headteacher: it was good fun to see the type of things Mrs Lawrenson does everyday. Mrs Lawrenson told me this was a quiet day so I don't think I will be a headteacher considering how busy it has been today!

## TRANSITION DAY

What a fun and informative day the children had on Thursday when they moved up to their new classes to meet their teacher for September. Here are just a few quotes from our Newchurch robins:

**Izzy (Y4):** We made Y5 passports and it was great fun because I got to show my drawing skills to the class. We made poems about our dreams and aspirations. Mr Tattersall is very funny. When we are working hard we play a skittles game. We also made kindness pockets to collect acts of kindness people do for us. I think Year Five is going to great fun!

**Chloe (Y5):** Today, in Year 6, we did some poems and you had a choice of words. We had to work in partners to do a maths challenge. It was linked to clowns and different colours. We had great fun composing a rap about Year 6 to share our hopes and fears but to also celebrate our achievements in Year 5. We videoed it and are using Garage Band to create our rap.

**Nella (Y3):** I'm looking forward to gospel and Mrs Singleton because everyone says he is a fun teacher. Going swimming is something I am looking forward to and also Beeston. I can't wait for the Roman Invasion!

**Vinnie (Y1):** We did some bubble writing and writing about The Star Tree. I loved doing the puzzle writing. I am looking forward to Year 2 so I can do more work. Mrs Dixon and Mrs Conreen are kind and help us with our learning.

**Elodie (Reception):** I've been outside in the big playground at playtime. We made houses for the different animals. I really like Mrs Wormleighton and Mrs Worthington. I made a great story with the doll's house.

**Will (Y2):** We had a game of Musical Statues. We had a go at keyboards and I found it quite good. I am looking forward to doing more keyboards next year. I think Miss Brinksman and Mis Ingham are kind.

It is clear that the day was a success and one which will set them up for a great year full of hard work, achievements and of course – fun!

## FEAST OF CHOIRS

Our Year 4 were outstanding on Wednesday when they performed as part of the Accent Gospel Choir at the Liverpool Anglican Cathedral. It was a privilege to see such enthusiasm and dedication to their performance. Every child shone and we even had five children chosen to perform solos in front of a huge audience. Well done Year Four and thank you to Mr Singleton, Mrs Storey and Mrs Price for their hard work in supporting the children.
