

# FRIDAY NEWCHURCH

18<sup>th</sup> January 2019

## PARENT BOARD

On Wednesday, we held our half termly parent board meeting. The meeting was very positive and we generated ideas for the upcoming events for Book Week which will be held the week commencing the 4<sup>th</sup> March. There will be lots of exciting activities throughout the week, which will involve the children and the parents, so keep a look out on Friday News for the dates and times.

## SCIENCE RE ASSEMBLY

Thank you to Reverend Stafford for delivering another wonderful assembly to the school yesterday. The story that we listened to was about Epiphany and the journey of the three wise men following the star to find the baby Jesus.

Throughout the story, Reverence Stafford showed the children a number of amazing science experiments, which both children and staff thoroughly enjoyed and always look forward to seeing.

**Bobby M Reception:** I liked the water in the cups, it was magic.

**Luna Reception:** It made me jump when the lid popped off the bottles.

**Harry Year 1:** I liked it when he made the stick thing (pulley) and he made it walk towards each other.

**Eve Year 1:** I liked it when the Epsom salts were put in the container with the water and the lids popped off and hit the roof.

**Mason Year 2:** I really liked it when we were shown the pots that were filled with gas popped and went shooting into the air.

**Cara Year 2:** I really liked it when the balloon went along the string and hit the target.

**Imogen Year 3:** I liked the experiments and that they showed me something new.  
**Will Year 3:** I found it really fun and I like that they always show us something new every time they come.

**Eve Year 4:** I enjoyed the part when the lids flew off the bottles. The whole experiment was incredible.

**Katie Year 4:** I enjoyed it when he put the oil and powder in the water and the mixture went spongy.

**Evie Year 5:** I really enjoy the visit every time as the investigations are interesting and fun.

**Isaac Year 5:** I really enjoyed the experiments.

**Sara Year 6:** I found the assembly really interesting as we learned more about Jesus, however we did it in a fun way.

**Kennedy Year 6:** I found the assembly interesting and learned a lot about the Christmas Story and how things worked.

## DON'T WORRY, BE HAPPY!

It is important that we keep ourselves well both mentally and physically. You may be feeling the blues, you may be wanting to maintain your healthy outlook on life or you may be going through a tricky time.

The Warrington Happy?Ok?Sad? website <http://happyoksad.warrington.gov.uk/> has a plethora of links to support you in this.

A link can be found on our school website under the safeguarding tab.

This a local service developed for the families of Warrington. It provides valuable signposts for children, adults and the elderly. Please pass on this link to family and friends.
