

# FRIDAY NEWCHURCH

22<sup>nd</sup> March 2019

## Y5/6 FOOTBALL TOURNAMENT

On Thursday evening, the Y5/6 football team took part in a tournament at Culcheth High School against other schools from across the town. The boys made a fantastic start to the competition by winning their group and seeing off Locking Stumps, Culcheth Primary and St. Vincent's in the process. As the tournament reached the latter stages, Newchurch were drawn against Broomfields in the semi-final. After a tense 0-0 draw, the game went into extra time. As the teams could still not be separated, the game went to penalties where the boys were unfortunately beaten.

We are very proud of the effort from all of the team. They didn't concede a single goal in open play and fought for each other from start to finish. Well done, boys!

## LIFE EDUCATION VAN

On Monday and Tuesday, Newchurch was visited by Michelle and Harold the giraffe from the Life Education Centre. Each class had the opportunity to spend time in the Life Education Centre where they learnt about a number of different topics including friendships, how to deal with their feelings, making the right decisions and how great it is to be us. The children were, as always, eager to learn and showed respect and maturity with their discussions.

**REC:**

**Logan:** We learnt about our bodies and how they work.

**Georgie:** I liked it when Harold the Giraffe was singing to us.

**Y1:**

**Eve:** I enjoyed learning about healthy food and seeing inside the body.

**Year 2:**

**Ruby:** I learnt about lots of different parts of the body, like the heart, brain and lungs and what they do.

**Lily:** I enjoyed talking to Harold the giraffe, especially when he was asking us for friendship advice and we gave him good advice and got to help him to help his friend join in the party.

**Y3:**

**Bailey:** I liked learning about the brain.

**Beth:** I liked seeing Harold the Giraffe again.

**Y4:**

**Isabelle:** It is very educational, it helps children learn and understand all about their bodies.

**Y5:**

**Will:** I really enjoyed the Life Education visit because we learnt about alcohol and the effect of it. We also learnt it was okay to say 'NO'!

**Y6:**

**Cameron:** I think it was interesting to learn legal drugs like medicine and illegal drugs and how it can affect you.

## BRINDLEY PERFORMANCE Y5

On Tuesday night, children from Y5 participated in the 'Movie Magic' performance at the Brindley Theatre in Runcorn. Singing a wide variety of songs from films spanning several eras, the children amazed the audience with their artistic talents.

**Izzy:** I was really excited to go to the Brindley as I love performing and especially doing it with my friends. We sang Circle of Life from the Lion King and Candy Man from Charlie and the Chocolate Factory and much more.

## Y5 ORCHESTRA VISIT

As part of the Making Music Visual Project Year 5 (and other participating schools) visited Culcheth High School and were treated to a performance by the Northern Chamber Orchestra. This is a very exciting collaborative music and arts project which will continue to be developed until July.

**Evie:** The orchestra was amazing. I have never listened to music like that before.

## ATTENDANCE FACTS

### DID YOU KNOW THAT.....?

95% attendance = 1 out of 20 days off

90% attendance = 1 day off a fortnight

80% attendance = 1 day off a week

If a child's attendance is constantly 80-85% during their primary school life, this equates to **1 academic year off**.
