

# **NEWCHURCH COMMUNITY PRIMARY SCHOOL**

9<sup>th</sup> September 2019

Dear Parents

As part of the children's day in Reception they have rolling snack, which we as a school provide for them at a cost of £2.50 a week. The children have a variety of choices such as toast, bread sticks, crackers, yogurts, brioche, cheese and many other options. We feel that the snack area is an important part of our daily routine as this is where the children have time to chat with their friends and try new foods.

A payment item has been set up on Parent Pay, our online payment system, and log in details will be sent out to you next week with instructions on how it works.

The annual cost is payable over 3 terms, at £31 a term, and you can make partial payments weekly, monthly or termly as you wish.

Yours sincerely,

Mrs J Narraway

Headteacher.
